Dear Mr. King:

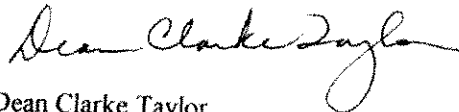

Manhattan Mustangs, Inc. is a 501(c)3 New York Charitable Not-for-Profit Corporation serving our community since 1997. We are proud to commence the completion of our first Decade of Service.

Our board of directors had chosen Housing Works to be the recipient of the proceeds of our annual Harvest Moon Tea Dance held in the Ballroom at Stepping Out Studios on Sunday, October 22, 2006 from 3:00-6:00 p.m.

In keeping with our purposes and mission, and on behalf of our Board, I am pleased to enclose our donation check in the amount of \$500.00. Manhattan Mustangs, Inc. would appreciate being listed as a donor organization as such may be listed in future publications.

Please also consider us as a resource in planning future Housing Works theme events. Nothing breaks the monotony and gets people out of their chairs and onto the floor like country & western dancing! Our instructors and deejays are happy to travel to any location, and within minutes, teach beginners the basic steps of two-stepping and line dancing. Make your next event DIFFERENT and FUN! All we need is a dance floor. Feel free to contact me at (212) 808-7814 if you have any questions.

Sincerely,

Dear Mr. Clark:

Thanks to the Manhattan Mustangs for the generous contribution of \$500 to Housing Works from the proceeds of your October 22nd annual Harvest Moon Tea Dance. This grant will go towards addressing the direct service needs of clients whom many consider "too challenging to serve."

Your ongoing support allows Housing Works to provide housing, healthcare, job training, legal services and vital supportive services to homeless people with HIV/AIDS. We have succeeded at what many have historically claimed to be simply impossible - reaching and engaging the most marginalized and disenfranchised of those affected by the HIV/AIDS epidemic. Since opening our doors, Housing Works has housed and/or provided supportive services to over 17,000 individuals and has attracted national recognition for developing innovative, client-centered models of housing and services for hard-to-reach populations.

Housing Works is an organization dedicated to excellence, with a clear vision and a passion for delivering outstanding results. We thank you for working with us to capitalize on these strengths. The need for effective programs that transform lives cannot be overstated. The needs of homeless and formerly homeless people living with HIV/AIDS are overwhelming. The challenge at this stage is to seize the opportunity, to take the risk, to realize an innovative, new, rewarding and productive future.

Attached please find a copy of the 2006 annual report. We are pleased that Manhattan Mustangs will be listed as a donor on the 2007 annual report. Once again, thank you for your commitment to Housing Works.

Sincerely,
