Dear Lynn:

As discussed in my previous e-mail, the Manhattan Mustangs is a 501(c)3 New York Charitable Not-for-Profit Corporation serving our community since 1997. We are proud to commence the completion of our first Decade of Service.

Our board of directors had chosen GMHC to be the recipient of the proceeds of our Ice Tea Dance held in the Ballroom at Stepping Out Studios on Sunday, February 5, 2006 from 3:00-6:00 p.m.

In keeping with our purposes and mission, and on behalf of our Board, I am pleased to enclose our donation check in the amount of \$500.00. Manhattan Mustangs, Inc. would appreciate being listed as a donor organization in all appropriate listings published by GMHC.

We look forward to working with GMHC in the future with fundraising events or a possible outreach event at an appropriate GMHC gathering to exhibit the fun and inclusion of country & western dancing. Please feel free to contact me during business hours at 212 808-7814 to discuss the details.

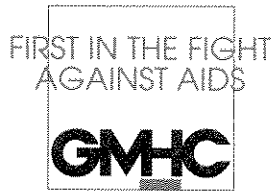

Sincerely,

Dean Clarke Taylor

Dear Mr. Taylor:

On behalf of GMHC's board, staff, volunteers and especially the people we serve, I want to thank you for your recent contribution of \$500.00. As Executive Director of GMHC, I can tell you that your generous support means a great deal to those on the front lines of the AIDS crisis.

Thanks to the help of caring individuals like you, GMHC's staff and volunteers are able to provide essential direct services to over 15,000 people living with HIV and AIDS. Your generosity also sustains GMHC's efforts to halt the spread of HIV through our targeted AIDS education programs. And your support enables GMHC's advocacy team to fight for increased AIDS-related funding and for improved research priorities.

With your help, GMHC offers New Yorkers assistance, comfort and hope amidst the turmoil of the AIDS epidemic. So once again, many thanks for your commitment to GMHC and the thousands of men, women and children with AIDS who depend on our vital services.

Sincerely,

Marjorie J. Hill, Ph.D.
Interim Executive Director, GMHC
