To All Gay and Lesbian Country Dance Enthusiasts:

In just two short weeks, the **New York City Country Dance Hotline** has become THE information source for our local gay and lesbian country dancers to know when and where to dance in New York City.

Now, we would like to spread the word to our friends outside of New York City!

If you are planning a trip to New York, or are thinking of doing so in the future, please call the **New York City Country Dance Hotline** at **(212) 475-7099** for the latest information on country dance activities. We have a weekly calendar, and listings of upcoming special events -- both of which can help you with planning your visit to The Big Apple, and how you can schedule your fun time to include some country dancing!

Right now, our voice mail is limited in length to approximately four minutes. That is just enough time to cover the current weekly events, and a few upcoming events. If you leave your name and mailing address, we will be happy to send you a complete copy of scheduled upcoming events, as well as any other updated information.

If you have a specific question, include your telephone number, and we will call you back if you need immediate answers. If not, we will be glad to answer by mail ASAP! All personal information is CONFIDENTIAL. We mean it. No information will be "sold" or "distributed."

We need to keep our expenses low to remain autonomous of any advertising or other sponsor influences. The information we provide will be current, complete and candid so that you will know what to expect from the dance venue or establishment you visit while you are in New York

Give us a call, y'all -- at (212) 475-7099 -- 24 hours a day -- seven days a week.

Very truly yours,

P.S.: I am enclosing a few flyers to distribute to your members. If you need more, let me know. Thank you!
